MENNOHOMES

Thanks for your part in making **Out-Spok'n VII** such an incredible day. Your participation by cycling, fundraising, donating or volunteering is what makes a day like today possible. More importantly, it is the combined efforts of everyone that is making the new apartment building in Elmira, The Foundry, a reality that will provide a barrier-free affordable home for 25 local households later this summer, and for countless other families for decades to come. While we don't have a total raised quite yet, we know it is in excess of \$30,000! Thank you.
