WOOLWICH COMMUNITY HEALTH CENTRE

Tuesday, October 24, 2017 - 7:00 pm—9:00 pm Faith-Fullness: Spirituality and Mental Health. Stigma around mental health issues persist in our society. Unfortunately, those who have been raised in, or value their own faith tradition, often face additional challenges understanding mental health. Struggles emerge in reconciling messages from society with personal understanding, experience, and expression of faith. This interactive presentation seeks to explore the connection, dispel some myths, and learn an integrated approach to faith and mental health. Presented by Cairine Domzella, MA Theology: Spiritual Care and Psychotherapy, WCHC and Sid Bater, MSW Counsellor at WCHC.
